Custom Convertible Power Top

There's nothing like going topless in a Jeep. Wind in your hair, sun on your skin. But if you've ever owned a Jeep, you know it's a hassle to remove, stow, and replace the top. It's difficult and time consuming. If it starts to rain, you're soaked, no ifs, ands or buts. This custom Jeep features a perfectly fitted, powered, and fully retractable, convertible top. In less than 30 seconds, you'll be enjoying the outdoors – even if it's just for a short time. You can choose to be fully open to the elements or completely protected. Unlike standard tops, the entire framework retracts with the top for a cleaner, more polished look. The sexy “fastback” profile of this top also adds to the aggressive looks. This is not offered on any factory standard Jeep.

The Ultimate Jeep - It's Meant To Be Heard

The Ultimate Jeep comes equipped with an unparalleled, premium 1200-watt Alpine® Sound System which features an enormous 9" touchscreen display mated to an incredibly powerful pre-amp that drives incredibly clear fidelity.

The integrated side-by-side sound system features mated Torpedo speakers to envelop you in sound, 6.5" 2-way mid-bass drivers, Alpine's class D power pack amplifier with Dynamic Peak Power, 12V weather-resistant Bluetooth® Adapter to control your sound from within and outside, and so much more.

Raising The Bar – The overhead sound bar includes Alpine's premium 6.5" mid-bass drivers and 1" teteron dome tweeters for improved range and sound production.

Top-Off Performance – The Weather-Resistant system is designed to deliver premium performance whether you're driving with the top up or down.

The Ultimate Jeep

The Ultimate Jeep is a statement piece from every angle. Front to back, top to bottom, the entire Jeep has been reimagined, redesigned, and upgraded with superior performance and luxury parts to craft this irrefutably bold road machine.

Plated with bolted, custom armor-like panels on each door, the Ultimate Jeep stands out as if it looks like it just came off the battlefield and ready to take anything that comes its way. It's one tough vehicle.

Live your best life.
